Who teaches the club?

GNC teachers are specially trained Christians who are concerned for the well-being of your child. All club workers are screened as required by *Child Evangelism Fellowship®* Child Protection Policy to ensure your child's safety.

Children will learn:

- God loves them.
- Every person has value.
- How God can help them do the right thing, find victory in hard times, show love to others, etc.

CEF® does not provide transportation from the Good News Club location.

Parents/guardians must pick up each child promptly at the end time of GNC. Our policies do not allow GNC workers to remain after club. If your child is not picked up immediately after club three times throughout the school year, he/she will not be allowed to continue attending. Thank you for understanding.

The United States Constitution requires schools to respect the right of all external organizations to distribute flyers to students at school if the school permits any such organization to distribute flyers. Accordingly, the school cannot discriminate among groups wishing to distribute flyers at school and does not endorse the content of any flyer distributed at school. The school encourages parents to assist their children in making choices appropriate for them. **This is not an activity of the school or the school district.**
